**PROTECTING  
YOUR RIGHT  
TO VOTE**

### **Rideshare2Vote Scheduling Voters for Super Tuesday**

February 24, 2024 - As Texas Primaries approach, the spotlight is on the importance of voter turnout, and Rideshare2Vote is an organization creating turnout by offering a free Ride2Vote. And pick your day. You can reserve your election day ride, or reserve your early voting Ride2Vote on Feb 28, 29, or March 1. Sarah Kovich, co-founder and CEO says "flexibility in transport needs is one key to increasing voter turnout, especially in a state that has one of the lowest voter turnout rates in the country."

[Rideshare2Vote](#) and [Rideshare2Vote Aware](#), are the only year-round [Ride2Vote](#) programs in the nation.

The Rideshare2Vote organizations, co-founded in 2018 by Texas mother- daughter duo, Paola Kovich and Sarah Kovich, are dedicated to raising awareness about the importance of all elections and encouraging people to show up and vote. The team at Rideshare2Vote believes that every vote counts and by participating in every election, citizens can have a say in how every level of government represents them. The round-trip, Ride2Vote program is free to voters and donors and sponsors help keep the wheels of democracy rolling. The program is designed to make it safe, easy and convenient.

###

**About Rideshare2Vote** - At Rideshare2Vote, our mission is to empower individuals through heightened civic engagement and improved access to the voting process. We've implemented a comprehensive voter outreach field program, inclusive of transportation services tailored for Democratic and Progressive voters. Our commitment is evident in our proactive approach to connect, engage, invite, and ultimately transport voters, ensuring not only their voices are heard but also acted upon. We amalgamate traditional voter outreach methods with cutting-edge technology to extend warm invitations to vote and provide accessible transportation options. Our goal is to ensure that no Democrat or Progressive registered voter is left behind.

**About Rideshare2Vote Aware** - Rideshare2Vote AWARE is a 501(c)(3) non-profit organization committed to increasing voter turnout and empowering young individuals to become effective political organizers, activists, and leaders. Founded on the fundamental belief that empowerment and education are essential for a thriving democracy, Rideshare2Vote AWARE offers a range of programs designed to engage citizens and address the challenges facing voters today. Through our Internship, ADA Wheelchair Access, AwareVoteRide, and Partnership initiatives, we are dedicated to fostering a more inclusive and informed electorate.
